

A photograph of a forest with sunlight filtering through the trees. The sun is low in the sky, creating a warm, golden glow that illuminates the trunks of the trees and the forest floor. The trees are tall and slender, with their branches reaching upwards. The overall atmosphere is serene and peaceful.

I would like to take this opportunity to thank all those people who assisted me in producing this year's PHASE: First, I would like to express my deepest appreciation to my advisor, Mr. Charles Schuttrow and his wife Delores for their countless hours of help throughout the school year and summer. A special thanks to my father, Donald Burrell and Burrell Colour, for the processing of the color photographs, and to the student body which expressed interest in the formation of PHASE '82 by submitting many photographs to give the book a personal touch. Last, a big thanks to my staff, which made my job very challenging, and to Sheila White and Mark Borgetti for their design conception of the PHASE '82 cover.

Thank you all,

John
